

Boynton's 2025-26

Yearend in Review and What's Next

2025

In October the Lord moved in the Fryeburg Fair in ME with 25 profession of faith; North Carolina State Fair with 267 profession of faith; Little Debbie - Hamilton County Fair TN, 5 profession; and the Holly Jolly Jamboree in Soddy Daisy TN, 1 profession. Whether big or small numbers every soul is precious before the Lord. We are very thankful to the Lord for allowing us to serve. We are still working at the Amazing Grace Mission home office here in Dayton, TN and will be until the end of May when we transition back to being on the road. We have one more fair in mid May, the Iris Festival in Greene TN. Our time in Tennessee would be a total of 14 months. We are very thankful for the opportunity that the Lord given us to learn and grow. Have a Merry Christmas and a Happy New Year.

2026

In June our grandsons both graduate from high school in Maine, so we are heading home. We want to increase our fairs in Maine. The need is so great. Currently we are seeking contracts for:

- Bangor State Fair
- Windsor Fair
- Clinton Lion's Club Fair
- Fryeburg Fair

We are also seeking to add small festivals that local churches would like to have us assist them in. Then we'll head south in the fall to attend fairs through to November.

- Please pray for the home office as we seek someone to assist the office before we leave.
- Pray for us as we travel and witness, that we would always represent the Lord well.
