

BOYNTON'S NEWS

Bangor State Fair

Pray for wisdom, that we would know how to encourage laborers and those we come in contact with at the fair, believers and unbelievers alike; to know Christ and the power of his resurrection.

Pray that hearts would be prepared to give the gospel as well as receive the gospel.

Pray that the Spirit of God will have full reign: in our lives, in the booth for salvation, and in fellow laborers.

Pray for our safety; we don't take it for granted that we are lights in a very dark world.

Maine is one of the top unchurched states in the nation.

Pray for the local churches doing follow up with those who filled out the decision cards.

This is a very important aspect of this ministry.

Pray for a hedge of protection, that satan would not have any in roads.

Pray for those hearing the gospel; whether in sowing the Word, watering the Word, or in reaping; that the Word would not be snatched away.

Finally pray for our neighboring vendors, that we would be careful to be good neighbors.

We praise the Lord to be able to minister in the State of Maine and at the Bangor State Fair: to visitors of our state and to Maniacs (people of this great state).

Laborers

The Lord has allowed us to share our burden, of reaching the lost, to local churches and answered our prayers by bringing along side us local Maine churches that have this same burden. Faith Baptist Church in Orono, West Hampden Baptist Church in West Hampden, Twin City Baptist Church in Brewer, and Clinton Baptist Church in Clinton. This is such a good training time and opportunity to build up the church. As a side note 2 of these churches are without pastors yet they are still keeping on. For those seeking a pastorate we would love to connect you.
